CORE MARTIAL ARTS

Core Martial Arts Summer Camp offers an awesome combination of Martial Arts Instruction, Academic Studies, Character Building, Games, Field Trips, Team Activities, Fitness, and much more!

CORE Martial Arts classes are always delivered in a safe and exciting manner by experienced instructors. Our daily focus is to help each child cultivate the values of self control, confidence, discipline, and respect for others. Additionally, we stress the learning of important life skills that will help shape them into amazing members of society. The life-skills we reinforce range from being courteous towards one another, to showing respect for authority, and maintaining discipline over our emotions.

Throughout each day your child will be encouraged to explore and be creative inside and outside the camp. Activities range from park and library days to weekly field trips, daily martial arts classes, and pool days.

Parents will enjoy watching their child grow in confidence and learn how to become a leader through the teachings inherent to the CORE Martial Arts System.

Your child does not need any previous Martial Arts experience to join our summer camp. If your child has never participated in martial arts before then this will be a great experience for them, and one they will never forget

If you are new to our school please feel free to call or stop by our location to meet with one of our staff members and find out if CORE Martial Arts Summer Camp is the right choice for you.
